**STATEMENT ON THE UNTIMELY DIMISE OF HON. EMILIA MONJOWA LIFAKA,
CHAIRPERSON- CPA EXECUTIVE COMMITTEE 2017- 2021**

It is with deep sorrow that we have received the sad news of the untimely demise of our beloved sister and leader, Hon. Emilia Monjowa Lifaka, MP who was the Chairperson of CPA Executive Committee (International) and Deputy Speaker of the National Assembly of Cameroon on Tuesday 20th April 2021. This is a huge loss not only to the CPA but to Africa and the World at large.

Since she became the Chairperson of CPA Executive Committee in 2017, Hon. Lifaka played a key role in ensuring that the interests and perspectives of the CPA in general and those of Africa in particular are protected and promoted. She was a towering and iconic figure within the CPA. Indeed, the Region has lost such a steadfast, courageous, hardworking and visionary leader. Her contribution to the cause of the CPA will remain indelible and inspire many for generations to come.

On behalf of the CPA Africa Region, I convey our heartfelt condolences to Hon. Lifaka's family, the National Assembly of Cameroon, the people of Cameroon, and the entire CPA fraternity.

May the Almighty God rest her soul in eternal peace.
